

NHS Framework Agreement awarded to Energy Saving Lighting

THE BRIEF:

Energy Saving Lighting (UK) Ltd were delighted to be awarded a framework agreement by the NHS for the provision of LED Lighting solutions to its 55+ NHS Trust members throughout the UK. Value of the contract estimated at £5M per year.

THE SOLUTION:

Successfully scoring higher on both quality and price compared to its competitive rivals, Norland Managed Services, Armadillo LED and Philips. ESL is delighted to support the NHS with this new opportunity, which will have a positive impact on both cost and carbon emissions through the adoption of LED lighting technology.

ESL was appointed on the basis that the NHS felt the product range was broad enough to satisfy all NHS requirements, together with an excellent level of quality and more importantly a competitive purchase price; offering "Best Value" through its comprehensive value chain.

QUICK FACTS:

Reduced Energy Costs
Low Maintenance
Carbon Emission Savings
